Home School Partnership Agreement

Every child is known.

Every child is valued.

Every child belongs.

At Ickworth Park Primary School, we believe that children thrive when school and families work together in partnership.

We are proud of the strong relationships we have with our parents and carers and recognise the important role they play in supporting children's learning, wellbeing and development. From the moment a family joins our school community, we work together to ensure that every child feels safe, happy, included and supported to achieve their full potential.

By choosing Ickworth Park Primary School, families are choosing to be part of a community built on mutual respect, kindness, inclusion and high expectations. We ask all members of our school community to support our values, policies and approaches so that we can provide the very best opportunities for every child.

This agreement is not legally binding, but reflects the shared commitment between school, parents, carers and pupils which helps every child to flourish.
